

EXPRESSION OF INTEREST: AUSTRALIAN ALMOND INDUSTRY TOUR FOR SOUTH-EAST ASIA CUSTOMERS

We are pleased to extend an invitation to our esteemed customers from South-East Asia for an exclusive tour of the Australian almond industry.

This experience will offer an insight into our production capabilities, sustainable practices, and our commitment to quality and innovation.

I TOUR HIGHLIGHTS:

Welcome by the Almond Board of Australia:

The tour will begin with a warm introduction from the Almond Board of Australia.

You will have the unique opportunity to meet our CEO, Tim Jackson, who will share our industry's vision and the exciting growth prospects ahead.

Exploring Production Capacity and Growth:

Learn about our increasing production capacity driven by substantial plantings across key regions.

Discover how our commitment to sustainability is helping us care for the environment while expanding our production footprint.

Visit to ACE Farm – Research and Development Hub:

A visit to the ACE Farm will offer insights into our cutting-edge research and development initiatives.

Here, you will learn about the latest almond varieties and innovative production systems designed to enhance yields and improve quality.

World-Class Processing Facilities:

Experience firsthand the high standards of our processing facilities, where food safety and quality are paramount.

We will showcase the advanced systems we use to ensure the highest standards of almond processing and packaging.

Meet Local Growers:

Gain an understanding of our strong grower community by meeting local farmers in key almond-growing regions, including the Riverland in South Australia, Sunraysia in Victoria, and the Riverina in New South Wales.

This is a unique opportunity to discuss how we can meet your specific needs and requirements.

Understanding Almond Varieties:

The tour will cover key almond varieties such as Nonpareil, Carmel, Price, Monterey, and Independence.

You will learn about their sizing, applications, and quality specifications, giving you a deeper appreciation of the versatility of Australian almonds.

Optional Cooking Demonstration:

To showcase the versatility and application potential of almonds, we will offer a cooking demonstration led by one of our ambassadors.
